- 28.5** Supervisory Board resolutions may at all times be adopted in writing, provided the proposal concerned is submitted to all Supervisory Directors then in office in respect of whom no conflict of interest within the meaning of article 29 exists and none of them objects to this manner of adopting resolutions, evidenced by written statements from all relevant Supervisory Directors then in office.

29 Conflict of interest

- 29.1** A Supervisory Director having a (potential) conflict of interests must declare the nature and extent of that interest to the Chairman and to the other Supervisory Directors. In case the Chairman has a (potential) conflict of

**CHAPTER X
INDEMNITY**

31 Indemnity

Unless otherwise provided by the laws of the Netherlands, the following shall be reimbursed by the Company to current and former Managing Directors and Supervisory Directors:

- (a) reasonable costs of conducting a defence against claims based on acts or failures to act in the exercise of their duties or any other duties currently or previously performed by them at the request of the Company;
- (b) any damages or fines payable by them as a result of an act or failure to act as referred to under (a); and
- (c) reasonable costs of appearing in other legal proceedings in which they are involved as current or former Managing Directors or Supervisory Directors, with the exception of proceedings primarily aimed at pursuing a claim on their own behalf.

There shall be no entitlement to reimbursement as referred to above if and to the extent that (i) a Dutch court has established in a final and conclusive decision that the act or failure to act of the applicable current or former Managing Director or Supervisory Director may be characterised as wilful, intentionally reckless or seriously culpable conduct, unless the law provides

otherwise or this would, in view of the circumstances of the case, be unacceptable according to standards of reasonableness and fairness (which, in the event of seriously culpable conduct, may be the case where the applicable current or former Managing Director or Supervisory Director was acting in good faith with a view to the interests of the Company and the business connected with it) or (ii) the costs or the financial loss of the applicable current or former Managing Director or Supervisory Director are covered by an insurance and the insurer has paid out the costs or financial loss. The Company may request that the person concerned provides security for his/her repayment obligation. The Company may take out liability insurance for the benefit of the persons concerned.

32 Financial year and annual accounts

- 32.1** The Company's financial year runs from the first day of October of any calendar year up to and including the thirtieth day of September of the following calendar year.
- 32.2** Annually, not later than four months after the end of the financial year, the Management Board shall prepare annual accounts, and shall deposit the same for inspection by the Shareholders and the other persons with Meeting Rights at the Company's office.
- 32.3** Within the same period, the Management Board shall also deposit the management report for inspection by the Shareholders and the other persons with Meeting Rights.
- 32.4** The annual accounts shall consist of a balance sheet, a profit and loss account and explanatory notes.
- 32.5** The annual accounts shall be signed by the Managing Directors and the Supervisory Directors. If the signature of one or more of them is missing, this shall be stated and reasons for this omission shall be given.
- 32.6** Annually, the Supervisory Board shall prepare a report, which shall be enclosed with the annual accounts and the management report. The provisions of article 32.3 shall apply by analogy.
- 32.7** The Company shall ensure that the annual accounts, the management report, the report of the Supervisory Board and the information to be added by virtue of the laws of the Netherlands are kept at its office as from the day on which notice of the General Meeting is given in which the annual accounts and the management report shall be discussed and in which the adoption of the annual accounts shall be resolved upon. Shareholders and other persons with Meeting Rights may inspect the documents at that place and obtain a copy free of charge.
- 32.8** The annual accounts, the management report, the report of the Supervisory Board and the information to be added by virtue of the laws of the

Netherlands, as well as deposit of documents at the Dutch Trade Register, shall furthermore be subject to the provisions of Book 2, Title 9, of the Dutch Civil Code.

33 External Auditor

33.1 The General Meeting will commission an organisation in which certified public accountants cooperate, as referred to in Section 2:393, subsection 1, of the Dutch Civil Code (an “**External Auditor**”) to examine the annual accounts drawn up by the Management Board in accordance with the provisions of Section 2:393, subsection 3, of the Dutch Civil Code.

33.2 The External Auditor is entitled to inspect all of the Company’s books and documents and is prohibited from divulging anything shown or communicated to it regarding the Company’s affairs except insofar as required to fulfil its mandate. Its fee is chargeable to the Company.

33.3 The External Auditor will present a report on its examination to the Management Board and the Supervisory Board. In this it will address as a minimum its findings concerning the reliability and continuity of the automated data processing system.

33.4 The External Auditor will report on the results of its examination, in a statement regarding the accuracy of the annual accounts.

33.5 The annual accounts cannot be adopted if the General Meeting has not been able to review the statement from the External Auditor as referred to in article 33.4, which statement must have been added to the annual accounts, unless the information to be added to the annual accounts states a legal reason why the statement has not been provided.

34 Adoption of the annual accounts and release from liability

34.1 The General Meeting shall adopt the annual accounts.

34.2 At the General Meeting at which it is resolved to adopt the annual accounts, a proposal concerning release of the Managing Directors from liability for the management pursued and a proposal concerning release of the Supervisory Directors from liability for their supervision, insofar as the exercise of their duties is reflected in the annual accounts or otherwise disclosed to the General Meeting prior to the adoption of the annual accounts, shall be brought up for discussion separately.

35 Profit and distributions

35.1 Distribution of profit shall be made after adoption of the annual accounts if permissible under the laws of the Netherlands given the contents of the annual accounts.

35.2 The Management Board may, with the approval of the Supervisory Board, resolve that the profit realised during a financial year will fully or partially be appropriated to increase and/or form reserves.

35.3 The allocation of profit remaining after application of article 35.2 shall be determined by the General Meeting, provided that such resolution to allocate the remaining profits can only be adopted on a proposal of the Management Board, with the approval of the Supervisory Board. The Management Board shall make, with the approval of the Supervisory Board, a proposal for that

purpose with due observance of the provisions of articles 35.4 and 35.5. A proposal to allocate profit shall be dealt with as a separate agenda item at the General Meeting.

- 35.4** A Preference Share shall entitle the holder thereof to a distribution of profit of (i) an amount per Preference Share that is equal to the amount that shall be distributed per Ordinary Share to the holder thereof, as shall from time to time be calculated and determined by the Management Board, with the approval of the Supervisory Board, in application of the provisions of article 35.3; plus (ii) a premium per Preference Share of a percentage equal to one per cent. (1%) calculated over the aforementioned amount of profit that shall be distributed per Ordinary Share, which percentage may at the time of issue of the Preference Share concerned be increased up to a maximum of ten per cent. (10%) by the Management Board, at its absolute discretion, with the approval of the Supervisory Board, if considered appropriate by the Management Board in view of the prevailing market conditions at the time of issue of the Preference Share concerned. The aforementioned percentage determined at the time of issue of the Preference Share concerned will be calculated over the amount of profit that shall be distributed per Ordinary Share as shall from time to time be calculated and determined by the Management Board, with the approval of the Supervisory Board, in application of the provisions of article 35.3, with due observance of the provisions of articles 35.4 and 35.5. The aforementioned provisions of this article 35.4 shall equally apply to a distribution of interim profit or a distribution at the expense of any reserve of the Company pursuant to article 35.6 and the entitlement of a holder of a Preference Share to any such distribution of interim profit or such distribution at the expense of any reserve of the Company shall be calculated with due observance of the provisions of the preceding full sentence.
- 35.5** No distribution on Preference Shares, whether it be a distribution of profit or a distribution at the expense of any reserve of the Company, shall be made nor shall the holders of Preference Shares be entitled to any such distribution if and for as long as no such distribution is made on the Ordinary Shares to the holders of Ordinary Shares except where the laws of the Netherlands or these articles of association provide otherwise. If and to the extent that a distribution is made on the Ordinary Shares to the holders of Ordinary Shares, whether it be a distribution of profit or a distribution at the expense of any reserve of the Company, to the holders of Ordinary Shares, such a distribution on the Ordinary Shares shall only be made with due observance of the fact that such a distribution shall also be made on the Preference Shares to the holders of Preference Shares with due observance of the provisions of article 35.4, except where the laws of the Netherlands or these articles of association provide otherwise.
- 35.6** Subject to and with due observance of the provisions of articles 35.4 and 35.5, the Management Board may, with the approval of the Supervisory Board,

resolve to make interim distributions of profit and/or to make distributions at the expense of any reserve of the Company. In the event of a cancellation with repayment of all Shares of a particular class pursuant to article 11.2(b), in addition to the repayment of the nominal value paid on the Shares of the particular class concerned, a distribution at the expense of any reserve of the Company may be made on Shares of that particular class only.

- 35.7** Distributions on Shares may be made only up to an amount which does not exceed the amount of the Distributable Equity. If it concerns an interim distribution, the compliance with this requirement must be evidenced by an interim statement of assets and liabilities as referred to in Section 2:105, subsection 4, of the Dutch Civil Code. The Company shall deposit the statement of assets and liabilities at the Dutch Trade Register within eight days after the day on which the resolution to make the distribution is published.
- 35.8** Distributions on Shares payable in cash shall be paid in euro, unless the Management Board determines that payment shall be made in another currency.
- 35.9** The Management Board may decide that a distribution on Shares shall not take place as a cash payment but as a payment in Shares, or decide that Shareholders shall have the option to receive a distribution as a cash payment and/or as a payment in Shares, out of the profit and/or at the expense of any reserve of the Company, provided that the Management Board is designated by the General Meeting pursuant to article 6.1 as the body of the Company authorised to issue Shares. The Management Board shall determine the conditions applicable to the aforementioned choices.
- 35.10** Distribution of profit and other distributions will be made payable from a date to be set by the Management Board. A claim of a Shareholder for payment of a distribution on Shares shall be barred after five years have elapsed from the date such payment became due.
- 35.11** No distributions shall be made on Shares held by the Company in its own capital, unless these Shares have been pledged or a usufruct has been created in these Shares and the authority to collect distributions or the right to receive distributions respectively accrues to the pledgee or the usufructuary respectively. For the computation of distributions, the Shares on which no distributions shall be made pursuant to this article 35.11, shall not be taken into account.
- 35.12** The Management Board shall, with the approval of the Supervisory Board, decide on the allocation of losses incurred in a financial year as appearing from the adopted annual accounts.

37 Other General Meetings

Other General Meetings will be held as often as the Management Board or the Supervisory Board deems necessary, without prejudice to the provisions of Sections 2:108a, 2:110, 2:111 and 2:112 of the Dutch Civil Code.

38 Notice, agenda and venue of meetings

- 38.1** Notice of General Meetings shall be given by the Management Board or the Supervisory Board.
- 38.2** Notice of the meeting must be given with due observance of the statutory notice period.
- 38.3** The notice of the meeting will state:

- 38.4** Further communications which must be made to the General Meeting pursuant to the laws of the Netherlands or these articles of association can be made by including such communications either in the notice, or in a document which is deposited at the Company's office for inspection, provided a reference thereto is made in the notice itself.
- 38.5** Shareholders and/or other persons with Meeting Rights, who, alone or jointly, meet the requirements set forth in Section 2:114a of the Dutch Civil Code will have the right to request to place items on the agenda of the General Meeting, provided the reasons for the request must be stated therein and the request

must be received by the Company in writing at least sixty days before the date of the General Meeting.

- 38.6** The notice will be given in the manner stated in article 43.
- 38.7** General Meetings shall be conducted in the English language and are held in the Netherlands in Amsterdam, Rotterdam, Eindhoven, Utrecht or in Haarlemmermeer, the Netherlands (including Schiphol Airport).
- 39 Admittance and rights at meetings**
- 39.1** Each Shareholder and each other person with Meeting Rights shall be entitled to attend, to speak at, and to the extent applicable, to exercise his voting rights in the General Meeting. Shareholders and other persons with Meeting Rights may be represented by a proxy authorised in writing.
- 39.2** For each General Meeting a statutory record date will be applied, in order to determine in which persons voting rights and Meeting Rights are vested. The record date and the manner in which Shareholders and other persons holding Meeting Rights can register and exercise their rights will be set out in the notice convening the meeting.
- 39.3** Each Shareholder and each other person with Meeting Rights, or his proxy, will only be admitted to the meeting if he has notified the Company of his intention to attend the meeting in writing at the address and by the date specified in the notice of meeting. The proxy is also required to produce evidence in writing of his mandate.
- 39.4** The Management Board may determine that the Meeting Rights and the voting rights may be exercised by electronic means of communication, either in person or by a proxy authorised in writing. In order to do so, each Shareholder and each other person with Meeting Rights, or his proxy, must, through the electronic means of communication, be identifiable, be able to directly observe the proceedings at the meeting, be able to participate in the discussions and, if the voting rights accrue to him, be able to exercise the voting rights.
- 39.5** The Management Board may determine further conditions to the use of electronic means of communication as referred to in article 39.4, provided such conditions are reasonable and necessary for the identification of a Shareholder, another person with Meeting Rights or his proxy, and the reliability and safety of the communication. Such further conditions will be set out in the notice of the meeting. The foregoing does, however, not restrict the authority of the chairman of the meeting to take such action as he deems fit in the interest of the meeting being conducted in an orderly fashion. Any non or malfunctioning of the means of electronic communication used is at the risk of the Shareholder, other person with Meeting Rights or his proxy using the same.
- 39.6** The Company Secretary will arrange for the keeping of an attendance list in respect of each General Meeting. The attendance list will contain in respect of each person with voting rights present or represented: his name, the number of votes that can be exercised by him and, if applicable, the name of his representative. The attendance list will furthermore contain the

aforementioned information in respect of persons with voting rights who participate in the meeting in accordance with article 39.4 or which have cast their votes in the manner referred to in article 42.4. The chairman of the meeting can decide that also the name and other information about other persons present will be recorded in the attendance list. The Company is authorised to apply such verification procedures as it reasonably deems necessary to establish the identity of the persons with Meeting Rights and, where applicable, the identity and authority of representatives.

39.7 The Managing Directors and the Supervisory Directors will have the right to attend the General Meeting in person and to address the meeting. They will as such have the right to give advice in the meeting. Also, the External Auditor is authorised to attend and address the General Meetings.

39.8 The chairman of the meeting will decide upon the admittance to the meeting of persons other than those aforementioned in this article 39, without prejudice to the provisions of article 43.

40 Chairman of the meeting

40.1 The General Meeting shall be presided over by the Chairman or, in his absence, the Deputy-Chairman. In their absence, the Supervisory Directors present at the meetings shall appoint a chairman of the meeting from among their midst. The Supervisory Board may also appoint a different chairman of a General Meeting.

40.2 If the chairmanship of a meeting is not provided in accordance with article 40.1, the chairman of the meeting shall be appointed by the persons with voting rights present or represented at the meeting, by a simple majority of the votes cast. Until such appointment is made, a Managing Director shall act as chairman, or, if no Managing Director is present at the meeting, the eldest person present at the meeting shall act as chairman.

41 Minutes

41.1 Minutes will be kept of the proceedings at the General Meeting by, or under supervision of, the Company Secretary. The minutes of the meeting shall be adopted by the Chairman and the Company Secretary and will be signed by them as evidence thereof.

41.2 However, the Chairman may determine that a notarial record will be prepared of the proceedings at the meeting. In that case the co-signature of the Chairman will be sufficient.

41.3 The Management Board shall keep record of all resolutions adopted by the General Meeting. If the Management Board is not represented at a meeting, the chairman of the meeting shall ensure that the Management Board is provided with a transcript of the resolutions adopted, as soon as possible after the meeting. The records shall be deposited at the Company's office for inspection by the Shareholders and the other persons with Meeting Rights. On application, each of them shall be provided with a copy of or an extract from the records, at not more than cost price.

42 Adoption of resolutions in a meeting

- 42.1** Each Ordinary Share confers the right to cast one vote at a General Meeting, unless and for as long as Preference Shares are in issue, in which case each Ordinary Share confers the right to cast fifty votes and each Preference Share confers the right to cast one vote at a General Meeting.
- 42.2** In the General Meeting, no voting rights may be exercised for Shares held by the Company or a Subsidiary, nor for Shares for which the Company or a Subsidiary holds the depositary receipts. However, pledgees of Shares owned by the Company or a Subsidiary are not excluded from exercising voting rights if the right of pledge was created before the Share was owned by the Company or such Subsidiary. The Company or a Subsidiary may not exercise voting rights for a Share in which it holds a right of pledge or a usufruct.
- 42.3** To the extent that the laws of the Netherlands or these articles of association do not provide otherwise, all resolutions of the General Meeting shall be adopted by a simple majority of the votes cast, without a quorum being required. If there is a tie in voting, the proposal shall be deemed to have been rejected.
- 42.4** The Management Board may determine that votes cast prior to the General Meeting by electronic means of communication or by mail, are equated with votes cast at the time of the General Meeting. Such votes may not be cast before the record date referred to in article 39.2. Without prejudice to the provisions of article 39 the notice convening the General Meeting must state how persons entitled to vote may exercise their rights prior to the meeting.
- 42.5** Blank and invalid votes shall not be counted as votes.
- 42.6** The chairman of the meeting will decide whether and to what extent votes are taken orally, in writing, electronically or by acclamation.
- 42.7** When determining how many votes are cast by Shareholders, how many Shareholders are present or represented, or what portion of the Company's issued capital is represented, no account shall be taken of Shares for which no vote can be cast pursuant to the laws of the Netherlands.

43 Notices and announcements

- 43.1** Notice of General Meetings will be given in accordance with the requirements of the laws of the Netherlands and, as may be applicable, the requirements or regulations applicable to the Company pursuant to the listing of its Shares or depositary receipts thereof on the Stock Exchange in Johannesburg, Republic of South Africa, the Stock Exchange in Frankfurt, Federal Republic of Germany, or any other foreign regulated stock exchange as referred to in Section 2:86c of the Dutch Civil Code where Shares are listed.
- 43.2** The Management Board may determine that Shareholders and other persons with Meeting Rights will be given notice of meetings exclusively by announcement on the website of the Company and/or through other means of electronic public announcement, to the extent in accordance with article 43.1.
- 43.3** Shareholders and other persons with Meeting Rights may also be given notice in writing. Barring proof to the contrary, the provision of an electronic mail address by a Shareholder or other person with Meeting Rights to the

Company will constitute evidence of that Shareholder's or person's consent to the sending of notices electronically.

- 43.4** The foregoing provisions of this article 43 shall apply by analogy to other announcements, notices and notifications to Shareholders and other persons with Meeting Rights.

CHAPTER XIII

MEETINGS OF HOLDERS OF SHARES OF A PARTICULAR CLASS

44 Meetings of holders of Shares of a particular class

- 44.1** Meetings of holders of Shares of a particular class shall be held as often as the Management Board or the Supervisory Board deems necessary or if required by the laws of the Netherlands or these articles of association.
- 44.2** Each Share confers the right to cast one vote at the meeting of holders of Shares of that particular class.
- 44.3** The provisions in these articles of association with respect to General Meetings – including but not limited to the provisions with respect to resolutions of the General Meeting – shall apply by analogy to meetings of holders of Shares of a particular class to the extent applicable and to the extent that the provisions of this article 44 do not deviate therefrom.
- 44.4** If the formalities for convening and holding of meetings of holders of Shares of a particular class, as prescribed by the laws of the Netherlands or these articles of association, have not been complied with, valid resolutions of that meeting of holders of Shares of a particular class may nevertheless be adopted in a meeting, if in such meeting the resolution is carried with unanimous vote and all holders of Shares of that particular class are present or represented.
- 44.5** The holders of Shares of a particular class may adopt all resolutions which they may adopt at a meeting of holders of Shares of that particular class also in writing without holding a meeting. A resolution may be adopted without holding a meeting only if so requested by the Management Board or the Supervisory Board and provided they are adopted by the unanimous vote of all holders of Shares of that particular class entitled to vote. In case of adoption of resolutions other than in a meeting, the votes shall be cast in writing. The requirement that votes must be cast in writing shall have been met if the resolutions have been put in writing specifying the way in which each holder of Shares of the particular class concerned has cast his vote. The provisions of article 39.7, first and second full sentence, shall apply by analogy.

CHAPTER XIV

AMENDMENT OF THE ARTICLES OF ASSOCIATION; CHANGE OF CORPORATE FORM; STATUTORY MERGER AND STATUTORY DEMERGER; DISSOLUTION AND LIQUIDATION

45 Amendment of the articles of association

The General Meeting may resolve to amend these articles of association, provided that such resolution can only be adopted on a proposal of the Management Board, with the approval of the Supervisory Board. When a proposal to amend these articles of association is to be made to the General Meeting, the notice convening the General Meeting must state so and a copy
